Professional Experience

Localization & Content Systems Specialist

Rex Hernández Language Services

Jul 2014 – Present

(Transitioned from freelance work to full-time business in May 2020)

- Localized educational, instructional, and media content between English and Spanish, ensuring semantic accuracy, stylistic consistency, and cultural appropriateness.
- Edited and reviewed multilingual texts for clarity, tone, and audience suitability across written, audiovisual, and live formats.
- Supported Japanese language localization projects with a focus on intercultural communication and contextual accuracy.
- Provided consecutive interpreting services in commercial and industrial contexts, including the oil industry, requiring precise terminology handling and real-time linguistic judgment.
- Managed end-to-end content workflows, from creation and revision to publication across digital platforms.
- Produced and localized educational video content, livestreams, and short-form documentaries for international audiences.
- Collaborated remotely with clients and stakeholders across time zones, maintaining quality and delivery standards.

Spanish Interpreter (Remote)

Human Quality

Feb 2025 – May 2025

- Delivered live consecutive interpretation for three-way calls between English- and Spanish-speaking participants.
- Covered domains including insurance, healthcare, law enforcement, immigration, education, and emergency services.
- Acted as a cultural mediator, supporting conflict de-escalation and accurate message transfer in sensitive contexts.
- Maintained linguistic accuracy under time pressure across multiple time zones.

Blog Editor – Multilingual & Media Content

El Glosario del Traductor

Villahermosa, Tabasco, Mexico (Hybrid)

Oct 2016 – Feb 2019

- Edited and localized articles related to linguistics, audiovisual translation, and non-Latin writing systems.
 - Managed a distributed editorial team, enforcing language quality, style guidelines, and consistency.
 - Curated multilingual resources to support cross-cultural accessibility and comprehension.
-

Literary Translator

Universidad Juárez Autónoma de Tabasco – Cultural broadcasting department

Villahermosa, Tabasco, Mexico (Hybrid)

Mar 2018 – Jun 2018

- Translated poetry and cultural texts for state-level broadcasting, preserving literary voice and artistic intent.
 - Translated *Transparencia en Llamas* by Freddy Domínguez Náñez and *Oscura Palabra* by José Carlos Becerra into English, supporting international cultural dissemination.
-

Language Educator (Multilingual)

Various education centers · On-site / Remote

Aug 2015 – Dec 2025

- Designed and localized teaching materials in English, Spanish, and Japanese for learners aged 7 to 60+.
 - Integrated cultural and historical context into language instruction to improve comprehension and retention.
 - Developed multilingual educational content using digital and design tools, reinforcing clarity and usability.
-
